Subject: FW: Sequence search 09982091

Hi-

I have not yet received results for this search request (or, if I did, I have misplaced them). Could I please get a status update on the search? If the search has already been done I would be glad to come down and pick up a copy. The case is due next pay period.

Thanks,
Dan

Please search for the following in the commercial and issued patent databases:

- A polypeptide comprising SEQ ID NO: 2 or 4;
- A nucleic acid encoding SEQ ID NO: 2 or 4;
- A nucleic acid comprising SEQ ID NO: 1 or 3
- A nucleic acid comprising a fragment of SEQ ID NO: 1 or 3.

Thank you.
